GAME ON U.

MULTI-PHASE PROGRAMS

TEAMWORK

INSPIRATION, CONNECTION, AND CULTURE DEVELOPMENT TRAINING

Game On's highly engaging and interactive teamwork programs help create immediate buy-in, bonds and trust through an uplifting learning experience. These courses are delivered in an environment that lets the group experience authentic connection and engagement, with simple, lasting take-aways.

TEAMWORK PROGRAMS

CULTIVATING AUTHENTIC CONNECTION

Improve connection in an environment where trust and respect thrives. Participants in this program experience the the value of building authentic team relationships and demonstrating the power of “I’ve got your back.”

INSPIRING CREATIVE COLLABORATION

Strengthen teamwork and embrace healthy collaboration through this game-based experience, focused on the power of celebration. When teams encourage innovation, laughter, and inspiration, success follows.

LEADING WITH COMPASSION

Lead from within your role and understand your impact and opportunity to support others. Participants in this course increase self-awareness so they can improve emotional intelligence and develop servant leadership.

COMMUNICATION

CONVERSATIONS, PRESENTATIONS, AND DYNAMIC STORYTELLING TECHNIQUES

Game On's communication training programs recognize that every interaction is a presentation and an opportunity for leaders at all career levels to make a meaningful and lasting impression on others. Outcomes cover daily communication as well as skills for speaking and leading in the public spotlight.

COMMUNICATION PROGRAMS

PRESENTING WITH CONFIDENCE

Adopt a framework for effective meetings, pitches, and public speaking, preparing your content with excellence, increasing audience connection, and leveraging powerful storytelling to make your message stick.

ENGAGING WITH PURPOSE

Learn purposeful communication techniques to motivate and inspire your teammates, engaging and uplifting them through the power of four key Game Dynamics: Mystery, Incentive, Laughter, and Empowerment.

CONNECTING WITH CLARITY

Embrace the basics of personal well-being with an intentional focus on how to rest, fuel, and move as factors in clear communication. Practical strategies for better work/life rhythm help increase focus and connection.

GAME ON U.

MULTI-PHASE PROGRAMS TO IMPROVE LEADERS COMMUNICATION AND EMPOWERMENT SKILLS

Game On's multi-phase programs focus on career growth, leadership, and the development of executive skill sets. Meeting at your preferred pace- weekly or monthly- these programs strengthen purpose and confidence, combining practical and tangible techniques to improve both professionally and personally.

MULTI-PHASE PROGRAMS

EMPOWERING U. SIX-PHASE ACCELERATOR

The EMPOWERING U. experience inspires both emerging and established leaders to move from good to great. With executive-level skill development and a call to lead by example, participants learn to support and collaborate with colleagues by enhancing communication, authority, and empathy.

PRESENTING U. SIX-PHASE PRACTICUM

PRESENTING U. develops executive presence and presentation skills so leaders can convey their message with authentic confidence. Whether the focus is on leading calls and meetings, navigating high-stakes pitches and conversations, or mastering public speaking, this course builds true audience connection.

SUPPLEMENTAL L&D RESOURCES

SUPPORTING MATERIALS FOR CONTINUED PROFESSIONAL AND PERSONAL DEVELOPMENT

All Programs Include:

- Dynamic visual graphics and presentation design to reinforce the message with clarity.
- Post-session Digital Guidebook with key takeaways and activation exercises for continued practice and improvement.

Add-on L&D resources available, including:

- Pre-assessment to identify leadership and communication strengths and areas for improvement + growth.
- Custom workbooks and course worksheets for individual development, elevating custom program language and goals.
- Full course accreditation available, featuring certification through SHRM, HRCI, PRSA, IADC.

A group of approximately ten diverse individuals, including men and women of various ethnicities, are standing on a stage and clapping. They are dressed in professional or semi-formal attire. The background is dark, and the overall lighting is dim, with the subjects highlighted by stage lights. The image has a dark, semi-transparent overlay with text.

WHAT CLIENTS ARE SAYING...

D.

“Game On has been instrumental in designing and delivering cutting edge curriculum for our Well-Being and Inclusion programs for years. They are an ideal partner and have made a lasting impact on a variety of functions throughout our organization.”

– **Jen Fisher, Chief Well-being Officer, Deloitte Services LP**

“Game On delivered an incredibly engaging and purposeful virtual training session for my sales team during a time when it was crucial for them to feel valued and get connected. This program was exactly what we all needed.”

– **Anthony Macri, VP of Partnership Marketing, Memphis Grizzlies**

“I’m receiving emails daily on when Game On is coming back. This leadership training program will dramatically change the way I do my day to day work. It was exceptional! I was so impressed by the stimulating curriculum.”

– **MCPO Richard Nieman, Command Master Chief, United States Coast Guard**

Game On's training is the most valuable part of our camp each year. It's more than just media training, or brand, or sponsor interaction. They teach skills that our athletes will use on and off the ice, for the rest of their lives.

– **Pat Brisson, Co-Head, CAA Hockey Division**

“Game On was such a wonderful program and made it so easy for us. I was so inspired and my team has been buzzing ever since the session.”

– **Jenn Chick, VP Marketing Execution & Operations, Global Marketing, Hilton Worldwide**

“Game On was absolutely awesome and my team couldn’t stop smiling and laughing. Teaching communication in such an engaging way was perfect for our Annual Sales Conference. This program is now my secret weapon!”

– **Mike Accavitti, Senior Vice President and General Manager, Honda Motor Company**
